City of Wright City, Missouri
Policy and Terms for Access to and Duplication of Public Records
Pursuant to Chapter 610 of the Revised Statutes of Missouri

Except as otherwise provided by law, the City's Boards, Commissions, and Police Department shall provide access to and, upon request, furnish copies of public records subject to the following:

- (1) Copy Fees:** Fees for copying public records shall be set at ten cents (\$0.10) per page for a paper copy not larger than nine by fourteen (9 x 14) inches *plus* a fee for duplicating time equal to the average hourly rate of compensation inclusive of benefits for clerical staff of the City. Each request shall also be subject to the following:
- *Research Time:* Any research time required for fulfilling records requests may be charged at the actual cost of research time. Based on the scope of the request, the City shall produce the copies using employees that result in the lowest amount of charges for search, research, and duplication time.
 - *Estimated Costs:* Prior to producing copies of the requested records, the City shall endeavor to provide the person requesting the records with an estimate of the cost.
 - *Waiver of Costs:* Documents may be furnished without charge or at a reduced charge when the Board of Aldermen determines that waiver or reduction of the fee is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the City and is not primarily in the commercial interest of the requester.
- (2) Electronic and other Files.** Fees for providing access to public records maintained on workstation or server facilities, recording tapes or disks, audio/video servers (whether on-site or cloud storage), pictures, maps, slides, graphics, illustrations or similar audio or visual items or devices, and for paper copies larger than nine by fourteen (9 x 14) inches shall include only the cost of copies, staff time, which shall not exceed the average hourly rate of compensation inclusive of benefits for City staff required for making copies and programming, if necessary, and the cost of the disk, drive, tape, or other medium used for the duplication.
- Fees for maps, blueprints, or plats that require special expertise to duplicate may include the actual rate of compensation inclusive of benefits for the trained personnel required or actual costs paid by the City to a third party to duplicate such maps, blueprints, or plats.
 - If programming is required beyond the customary and usual level to comply with a request for records or information, the fees for compliance may include the actual costs of such programming.
- (3) Prepayment Authorized.** The Custodian of Records of the City may request payment of such copying fees prior to the making of copies.
- (4) Redaction of Closed Portions.** If a public record contains material which is not exempt from disclosure as well as material which is exempt from disclosure, the City will separate the exempt and nonexempt material and make the nonexempt material available for examination and copying.
- (5) Open Records Made Available; No exclusive Right to Access.** The City shall make available for inspection and copying by the public the City's public records. No person shall remove original public records from the office of the City or its custodian without written permission of the designated custodian. The City cannot grant to any person or entity, whether by contract, license or otherwise, the exclusive right to access and disseminate any public record unless the granting of such right is necessary to facilitate coordination with, or uniformity among, industry regulators having similar authority.
- (6) Action on Request.** Each request for access to a public record shall be acted upon as soon as possible, but in no event later than the end of the third business day following the date the request is received by the custodian of records of a City governmental body. If access to the public record is not granted immediately, the custodian will give a detailed explanation of the cause for delay and the place and earliest time and date that the record(s) will

be available. If a request for access is denied, the person making the records request may ask the custodian for a written statement setting forth the grounds for such denial including the specific provision of law upon which the denial was based which statement shall be furnished to the requester no later than the end of the third business day following the date such request for the statement was received.
